Second Schedule Rides

Five of our 2nd schedule rides have the same Lite and Regular starting point, giving us a chance to socialize before the ride. One NEW ride for the Regs will go to St. Paul's Union Depot.

Let's all hope for better 2nd schedule weather.

Start Times

All 2nd schedules Lites and the Regs start at **9:00**.

Regulars Riders Reminder

Regular rides are offered both Monday and Wednesday. These are the same rides with the same starting point and same starting time. Ride either day or both. Pick which is best for you. If the weather looks questionable you can call the Ride Info Line to know if the Monday or Wednesday Regular ride is cancelled.
